Best Workplaces in Greater China™ 2021 Awards Ceremony

CEO Message

Hello everybody, greetings from Hong Kong!

I'm so happy to be having a live event finally after so many virtual events. This is so good and I'm sure your feeling super excited to be having such an event. Regretfully, I could not make it, due to restrictions and peace of mind. It was complicated. But I'm very much looking forward to shaking your hands in person and celebrating with you. In the awards celebration of 2021 we're acknowledging a big number of companies that made it to the Greater China list. And it's even more special, because this is our 10th year anniversary list! Can you believe it?! We're celebrating 10 years this year and we are very excited and very happy. I hope you can join us celebrating this throughout the 2022 year with lots of events, different initiatives, publications, interviews, etc. I'm so looking forward that you will be raising your hand to participate; we are going to be giving better exposure to all of you, because you deserve it and because we want to 'ring the bell' about your achievements. We want to get everybody to learn what an amazing job you've been doing and we are very happy for you.

We are going to kick-off the celebrations with a big event in March, celebrating the 10 years together along with the 'Best Workplaces for Women in Greater China™ 2022'. This event will have great invitees, sponsors and a good deal of surprises. We're going to reveal a lot of very interesting initiatives and upgrades so it's going to be fully packed with good times, celebration, great content, and amazing learnings. I really hope you can already block the time. You cannot miss it!

Coming back to the amazing and brave 'Best Workplaces in Greater China™ 2021', I want to extend special congratulations to each and every one of you in your teams, for HR, the leadership and all the people that participated to make this happen. I know it's hard work, I know you've been putting a lot of passion into it, and today we are celebrating that!

This event is about you, it's about your accomplishments, about learning from others, looking at who else is pushing hard to do this and who else already knows that being in the level of a 'Best Workplace, means a 'never-ending-story'. It means that you have to keep the continuous improvement process. We never know what life will bring ahead, which circumstances we'll be facing. These past 2 years along have been very challenging in so many ways. So many things have changed. What lies ahead? Nobody knows. But I'm pretty sure that companies like you, teams like you, leaders like you will keep Trust as part of your key strategy and as a cornerstone of your culture. If you keep the people at the center, you are going to thrive, no matter what comes, and that is what we are celebrating today!

My big congratulations to all of you, keep the celebration BIG! I hope to see you soon in an interview, in an event, or in the press. We celebrate you!

Mr. Jose Bezanilla
Chief Executive Officer

Introduction 背景

All businesses have their own stories, but what makes them uniquely different is their people. In the past two years we have been through the worst threat in recent history and we have stayed strong together and survived the global pandemic. And how did we do it? The answer is “our people”. Our respective teams helped to build and create wonderful unique cultures.

No matter what sizes of business or industry you are in, the formula to stay successful today is the same – listen to your people. Listening helps to reflect, awaken and unlock the potentials. This year we are going to find out which companies are being selected as the Best Workplaces in Greater China™ – companies that are always “listening to their people” and providing high-trust cultures.

Our conference, "Growing the People's Brand", will share examples and discuss the power of employer branding that influences your organization's position, as well as how to attract job seekers among other organizations. Experts and HR leaders from different industries will share their insights to equip attendees with the latest knowledge, practical examples and cases.

Join us on 30 November, 2021 for the conference with senior HR leaders and to unveil the Best Workplaces in Greater China™ 2021 list.

And this year, we kick off the celebrations for our 10th year anniversary in Greater China. Expect great events, learnings, exchanges and celebrations. Let's celebrate Great workplaces!

所有企业都有自己的故事，但让企业脱颖而出与众不同的是企业的员工。在过去的两年里，所有的企业都面临了史无前例的挑战，也正在经历和延续仍未恢复到以往正常生活的威胁，但我们仍团结一致，因此在全球疫情持续的态势中依旧生机勃勃，并且乘风破浪傲立船头。这是如何做到的呢？答案就是“您的团队”。因为各自企业的团队创建了妙不可言且独树一帜的企业文化。

无论您从事任何行业或者您企业的规模如何，今天要保持成功的秘诀都是相同的一倾听员工的声音，聆听有助于反思、唤醒和释放潜能。本年度我们将揭晓入选大中华区最佳职场™的名单究竟花落谁家，只因为他们一直“倾听员工的声音”并提供高度信任的企业文化。

请加入我们于2021年11月30日于上海，与各个行业的企业领导人，以及高级人力资源管理者举行的年研讨会，同时我们也会公布2021年大中华区最佳职场™的榜单。

研讨会主题：「雇主品牌，核心在“人”」- 我们将分享示例并讨论雇主品牌如何影响您的企业定位，以及如何在与其他企业的竞争中更吸引求职者。来自不同行业的专家和人力资源负责人将与您分享最新知识、实例和案例。

同时，今年也是卓越职场大中华区迈入的第10个年头，我们也热烈庆祝大中华区成立10周年。敬请期待精彩的活动、学习、交流和庆祝活动，让我们一起积极推动优秀的职场文化！
